Discipline and Behavior Management Policy

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, nonviolent and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this Center will practice the following discipline policy:

WE

1. DO praise, reward, and encourage the children.
2. DO reason with and set limits for the children.
3. DO model appropriate behavior for the children.
4. DO modify the classroom environment to attempt to prevent problems before they occur.
5. DO listen to the children.
6. DO provide alternatives for inappropriate behavior to the children.
7. DO provide the children with natural and logical consequences of their behaviors.
8. Do treat the children as people and respect their needs, desires, and feelings.
9. DO ignore minor misbehavior.
10. DO explain things to the children on their levels.
11. DO use short supervised periods of "time-out".
12. DO stay consistent in our behavior management program.

WE

1. DO NOT spank, shake, bite, pinch, push, pull, slap, or otherwise physically punish the children.
2. DO NOT make fun of, yell at, threaten, make sarcastic remarks about, use profanity, or otherwise verbally abuse the children.
3. DO NOT shame or punish the children when bathroom accidents occur.
4. DO NOT deny food or rest as punishment.
5. DO NOT relate discipline to eating, resting, or sleeping.
6. DO NOT leave the children alone, unattended, or without supervision.
7. DO NOT place the children in locked rooms, closets, or boxes as punishment.
8. DO NOT allow discipline of children by children.
9. DO NOT criticize, make fun, or otherwise belittle children's parents, families, or ethnic groups.

I, the undersigned parent or guardian of _____ (child's full name), do hereby state that I have read and received a copy of the facilities Discipline and Behavior Management Policy.

TIME-OUT

"Time-Out" is the removal of a child for a short period of time (1 minute per year of age) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The "Time-Out" space, usually a chair, is located away from classroom activity but within the teacher's sight. During "Time-Out", the child has the opportunity to think about the misbehavior that led to his/her removal from the group. After a brief interval, the teacher discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown the other children.

At First Baptist Church Mother's Morning Out, we use 1 minute for every year of age of the child.
